• City Cultural and Historical tour:

Panoramic tour of the tourist resort rodadero.

Keep up to fifth in san Pedro Alejandrino, sacred place where he spent his last days the liberator Simon Bolivar with its three historical collections, the new and the botanical garden path of the sun.

We continue our tour through the city's main avenues, we stop at the monument of Valderrama to take pictures.

We'll see the historic center where parks and colonial houses types, the important Cathedral where the remains were of Simon Bolivar and are now the city's founder Rodrigo de Bastidas.

It is to emphasize that not only Santa Marta is the oldest city in Colombia but also in South America.

Also We entered the Tayrona gold museum where we will appreciate and know about the culture I inhabit these lands before the arrival of the Spaniards.

Finally go to the viewpoint of taganga to appreciate the fishing village, the Caribbean Sea and sunset, then we return type to 6:00 pm at the hotel.

You will have a clear concept of culture, history, economy and geography of Santa Marta.

• Parque Tayrona - Chairama town:

Pick you up at the hotel reception at 5:30 am to take a while until one hour calabazo sector, where we had breakfast, then begin a three-hour walk up to the archaeological site where we can admit tayronas engineering with its streets, terraces, aqueduct, etc.

Then do a descent two hours by a mysterious stone path made by the natives until after san juan guide, one of the top 10 beaches in the world, where we had lunch and we enjoyed a sea bath, then we proceed one two-
